## Resident Spotlight

## Barbara K.

Barbara was born in Greenup county, Kentucky. Her mother passed away when she was only five and she went to live with an older sister in Lorain, Ohio.

Gershen, Barbara's husband, fell in love with the lovely girl that waited on him at Angelina's Pizza Parlor in the evenings. They were married six month later. Barbara was a homemaker and her family is very important to her. They have three children, two boys and a girl. Her daughter, Glenda, lives here and her boys live in Ohio. Barbara has four grandchildren.

After raising her children Barbara enjoyed traveling. Barbara has visited all 50 states and many of our National Parks. One of her highlights was taking a train trip through Canada.

Here at New Haven Barbara loves to be involved. She also enjoys visiting with her tablemates and playing Bingo.

# Wilma Kutzko

Wilma was born in Ohio in 1929. She was married at the age of 19 and later had two daughters, Connie and Barbara. The family moved to Orlando, Florida in the 1950's. Wilma became very active in her church where she was a Sunday School Teacher and a Training Union Teacher for many years. From 1965 to 1969, she was the leader of the church's Girls Auxiliary. She worked at JC Penny's in retail from 1968 to 1971, then decided to go to work at one of the local hospitals as a surgical supply technician. She did that for eight years.

For fun, she took a ballroom dance class and enjoyed that so much that she took other dance classes, including the Waltz, Polka and the Texas Two Step. In 1980, she took First Place in the Ballroom Dance Competition.

As a hobby, which turned into a home business, she baked and decorated birthday, anniversary and wedding cakes. She was very good at it and enjoyed the creativity. Years later after retirement, she decided to live closer to her daughter and son-in-law and moved to New Braunfels in 2013.

Here at New Haven Wilma enjoys being involved in everything.
