Barbara Cheney

Barbara was born and raised in Delta, Utah until she was 7 years old. Her family moved briefly to Los Angeles, California but soon returned to Salt Lake City, Utah, where Barbara graduated from high school. Following graduation, Barbara did

a 2 year mission trip with her Church, Jesus Christ Latter Day Saints. Following her mission trip, Barbara went to Weber College where she received her teaching degree. She taught high school in Tacoma, Washington where she met her husband, who was just returning from Vietnam. Barbara received her Master's Degree in Education while they were stationed in Augusta, Georgia. Afterwards they were transferred to Fort Sam Houston, here in San Antonio. Barbara taught for over 30 years at Fort Sam. When she retired from teaching, she worked for a company that writes tests for students. Barbara finally retired and moved into Independence Hill when her Parkinson's started to act up. She moved into New Haven June of 2018.

Barbara has two adopted daughters and three granddaughters.

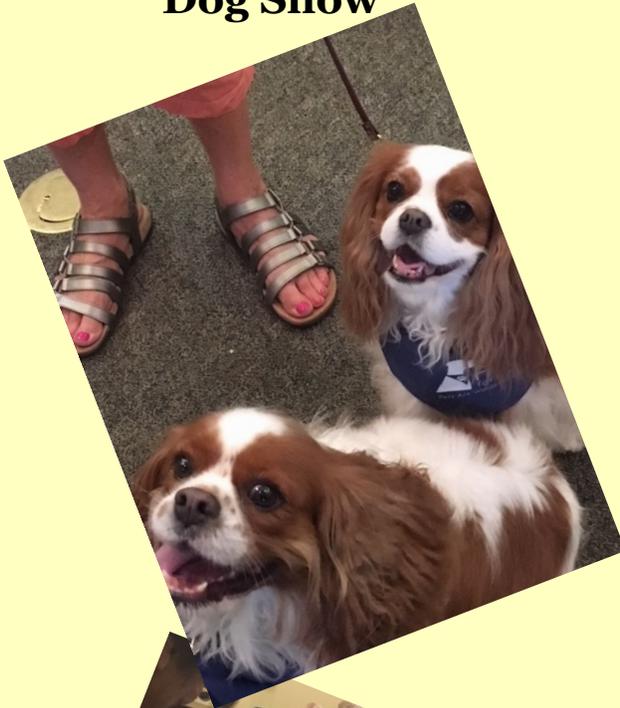

Barbara's hobbies include sewing (she likes to sew doll clothes and doggie clothes), reading, games, Wii and taking care of her dog, Daisy. Barbara has a collection of her grandmother's tea cups and she collects dolls.

We are planning a trip to Morgan's Wonderland on Friday, September 28th. The cost is \$8.00 per senior and \$17.00 for those under 62 years of age. We can take up to 13 residents on the bus.

To make this trip possible, we need the following:

- Volunteers

Please let Donna Thompson know if you are able to help in any way.

Resident Spotlight MC

Paula Sawyer

Paula Kay Sawyer was born and raised in Brady, Texas (the geographical center of Texas). She graduated cum laude in her class.

Following graduation, she worked for Brady National Bank.

For a brief time Paula moved to Austin, then to San Antonio to be near her sister and family. Paula went to work at Albertsons Grocery Store as a part time clerk, and from there she worked her way up through various departments to eventually being one of the first female store directors in the San Antonio area.

As a top leader, Paula ran several stores throughout her career at Albertsons. When Albertsons left the San Antonio area, Paula went to work for HEB as an Assistant Store Director until she retired in 2012.

Paula is an avid reader who loves to bowl, work in the yard and dance. She also has a great love for her fur baby, "Gracie". Here at New Haven, Paula loves the entertainment, listening to music and sitting where she can see outside.

Meet our new Administrator **Hallie Garza!** Hallie has worked at New Haven in Kyle and a the Schertz location as a Med Tech and caregiver.

She has been taking classes
