

# New Haven Assisted Living and Memory Care

San Angelo Texas

November 2018

## Pictures from Halloween Social

### Halloween Social

Here we have our spooky trick or treaters making their way through our Halloween Social. Greeting our residents with their Halloween best. Enjoying our refreshments and getting settled for our Story Time! Our Residents are full of love and laughter and were excited to pass candy to the trick or treaters. We had a really great time and the residents and kids both enjoyed socializing together.

### Scarecrow Festival

New Haven Assisted Living and Memory Care of San Angelo will be getting crafty to open up the Thanksgiving holiday. The residents will be creating their own scarecrow with their own personal touch. They will present their scarecrows on the doors and be entered for a contest. These scarecrows will be on display during the family Thanksgiving meal for other families to see. We will also have home health and hospices of San Angelo invited in to judge the scarecrows created by the residents. During the voting time we will also have free refreshments and snacks provided. We are excited to welcome in the community of San Angelo and for the residents to have the opportunity to mingle with the community members.

### Monthly Activities

Morning Exercise at 10:00 am  
Sunday Morning Worship at 3:00pm  
Therapy Dog Visit (First Thursday each month)  
Music Therapy by St. Gabriel's (Last Tuesday each month)

### November Birthdays

Randy Waddill November 2, 1920

# Alzheimer's Association Walk

New Haven of San Angelo, participated in the Alzheimer Association Walk Saturday, October 20, 2018. We really enjoyed getting to connect with the community, and mingle with many other people within the community.
