## Resident Spotlight

### Gloria Gonzalez

Gloria was born and raised in San Antonio. Her parents were hard working immigrants from Mexico. Musical talent runs deep in her family so Gloria took violin and piano lessons. Her dad

played guitar, her brother the cello and the trio would perform. At 15 she began beauty school training and by 18 her father opened up a small beauty shop for her.

Her life changed when a Navy sailor came into her parents' grocery store. He was swept off of his feet by Gloria's beauty. They fell in love and at 19, she married Joe F. Gonzalez. They were married 72 years and brought 7 beautiful children into the world. Her life revolved around raising her kids and she still treasures time with them.

Gloria worked as an attendance clerk for SAISD for 13 years. She worked hard with parents in getting their children to school. She accompanied administrators making home visits working as a translator.

In 1991 Gloria & Joe moved to Pleasanton TX and renovated Joe's old homestead. Travel became a wonderful adventure for them as they embarked on annual trips to Mexico visiting Joe's favorite cities and villages.

Gloria enjoys sewing, gardening, flea markets and garage sales. She loves cooking, especially whipping up food for her kids and grandkids. She adores her little dachshund dogs, Nina and Cassie. Be sure to say 'Hi' to Gloria when you see her here at New Haven Assisted Living!

## Resident Spotlight MC Ada Oltman

Ada (Huguley) Oltman was born in a small town in the Texas South Plains called Olton. She lived there with her parents and five siblings until third or fourth grade, then they moved to Amarillo, Texas. She graduated from Amarillo High School and went to work for the United States Air Force where she met Don. They married and had three children.

When her children were of good size, Ada began taking college classes. She was the first in her family to go to college where she earned two degrees, both in education. She taught 2nd grade in elementary school for 26 years. She was also active in her church leading prayer chains, doing Vacation Bible School and making things for veterans.

In her retirement years, she loved to work crossword puzzles and quilt. Ada was a volunteer for Meals on Wheels. She loved to bake and made the best pumpkin and coconut pies. Ada has four grandchildren and two great-grandchildren. She now spends a good deal of time shaking her hips as she dances with her new friends here at New Haven Memory Care!
